

Corporate Profile

Your Training Partner

"Your Training Partner" reflects our customer-centric philosophy. It's not just a catchy phrase; it's our promise to you. We understand that our customers are diverse organisations seeking to unlock the full potential of their teams. As your training partner, we are here to guide, support, and empower you on your journey to excellence.

VISION

To be the world's **premiere aviation training** organization.

Mission

To offer the **highest levels of aviation training** using best-in-class facilities & human resources in a friendly learning environment, which is also intellectually, socially and personally transformative.

Our values

Our core values reflect our unwavering commitment to excellence and safety in aviation training. Our values guide our actions and decisions, shaping our approach to training.

Safety

We instill a culture of safety and responsibility that goes hand in hand with our training for operational roles. We are committed to developing individuals who are not only operationally proficient but are also deeply safety-conscious and responsible.

Sustainability

We prioritize responsible resource use, social well-being, innovation, transparency, collaboration, and ethical conduct. We adapt, improve, and ensure economic viability in our sustainability journey.

Integrity

We conduct ourselves with honesty, transparency, and ethical behavior in every interaction.

Excellence

We uphold a commitment to excellence in all that we do. Whether it's curriculum development or instructions we consistently strive for the highest standards of quality and professionalism.

Airport Training

Pilot Training

Pilot Training

We provide an extensive portfolio of courses and programs covering all areas of pilot training; from initial type to conversion training, to comprehensive instructor and examiner training.

ONLY THE BEST INSTRUCTORS

Our instructors have an extensive experience in the aviation industry with EASA & UAE GCAA certifications. They are pilots who still fly regularly. This means what you learn from them is important and up-to-date.

STATE-OF-THE-ART DEVICES

Our devices include 10 Full-Flight, 7 Flight Training Devices and 2 Flight Navigation Procedural trainers all UAE GCAA and EASA certified. As well as complete Cabin Crew solutions including type rating for Airbus to Boeing.

MODERN TRAINING PROGRAMS

Latest industry standard training philosophies, driven by real evidence data from safety performance, pilot and cabin crew behaviors during training and line operation.

State-of-the-art Simulators

The Etihad Aviation Training facility features **10** full-flight Simulators, **7** Flight Training Devices and **2** Flight Navigation Procedural trainers. All full-flight simulator devices are UAE GCAA and EASA certified.

Full-Flight Simulators Airbus

Airbus A320-200 Sim 1
 Airbus A320-200 Sim 2
 Airbus A320-200 Sim 3
 Airbus A320 Sim 4
 Airbus A380-800 Sim 1
 Airbus A350-900 Sim 1

Full-Flight Simulators Boeing

Boeing 777-300ER Sim 2
 Boeing 787-9 Sim 1
 Boeing 787-9 Sim 2
 Boeing 787-9 Sim 3

Flight Training Device (FTD)

Airport Training

Portfolio Expansion

As we looked towards the future, we aimed to elevate our presence and take our mission to new heights, this time by expanding our portfolio into **airport personnel training**. With EAT taking over GCAS in 2023, it introduced an improved standard and modernized not just the operational structure of the company but inspired a stronger association of the GCAS brand to the aviation industry.
